

19-23 August, 2019, Palanga, Lithuania

21-st INTERNATIONAL CONFERENCE-SCHOOL "ADVANCED MATERIALS AND TECHNOLOGIES"

Organizers:

Kaunas University of Technology
Lithuanian Materials Research Society
Kaunas Science and Technology Park
Vilnius University
University of Tartu
Center for Physical Sciences and Technology
University of Latvia
Riga Technical University
University of Southern Denmark

Topics:

Methods of Surface Analysis
Surface Engineering and Nanostructures
Electronic and Optical Materials
Ceramics
Polymers and Composites
Advanced Engineering Materials
Materials for Energy

Important Dates:

- | | |
|----------------|---|
| 12 May 2019 | Deadline for the registration and abstract submission |
| 12 June 2019 | Deadline for the reduced registration fee |
| 29 June 2019 | Final announcement (including a Conference programme) |
| 19 August 2019 | Beginning of the Conference (arrival) |
